## Boat decor

Decor stirs emotions and creates an inviting atmosphere. Our maritime-inspired decor is timeless and suitable for any event on the lake. Bright colours such as blue, white and sandy tones create a connection with the lake and emphasise the feeling of freedom and wanderlust.

Or are you looking for something more elegant and stylish for your special event? High-quality fabric tablecloths, modest colours, classy tableware, flowers and delicate details bring on board a luxurious atmosphere of sophistication.

We work together with talented local florists to make floral arrangements according to your wishes. And it goes without saying that we are happy to implement all of your ideas and your slogan and will even clear out a boat for this purpose.

For company events, colours, logos and thematic elements can subtly emphasise the company values.

## Delicacies

Our partner for on-board catering, GASTRONAUTIC AG managed by Jakob and Suzana Fahrni, is making waves with its culinary excellence. The GASTRONAUTIC crew is a cut above, with its passion for local, regional and seasonal ingredients. And everything is prepared freshly on board for you and your guests. Whether aperitif snacks, multi-course meals, a BBQ on the deck or other culinary requests - the GASTRONAUTIC crew puts its heart and soul into creating the perfect culinary treat for your event. The kitchen team conjures up aromatic dishes, while the serving staff will cater to your every need with warmth and professionalism.

Tasty experiences, ahoy!
